IN DIESER LUXURY Line

MASSGESCHNEIDERTE KÜCHEN

Wir laden Sie in die Welt der Luxury Line ein - einzigartige Küchenmöbel, die wir jetzt in einer völlig neuen, verbesserten Version präsentieren. Diese Linie wurde geschaffen, um den individuellen Bedürfnissen der Benutzer gerecht zu werden. Es ist eine gelungene Kombination aus eleganter Schlichtheit und funktionalen Lösungen. Mit seiner Hilfe können Sie die Küche zum eigentlichen Herzstück Ihres Hauses machen und gleichzeitig Ihre täglichen Aufgaben viel einfacher und effizienter gestalten. Mit Luxury Line wird die Küche zu einem Ort, an dem Sie bleiben möchten.

WUNDERSCHÖN

Die Möbel der Luxury Line passen zu Innenräumen, die in verschiedenen Stilen eingerichtet sind. Dies liegt daran, dass sie in vielen Farben und Ausführungen erhältlich sind. Es ist der Benutzer, der die Art und das Design der Front und der Arbeitsplatte wählt, um Traumküchen zu schaffen. In der neuen Version der Linie schlagen wir stärkere Karosserien aus 18-mm-Paneelen vor. Neue Arten von Fronten - neben laminiert, lackiert und patiniert - sind ebenfalls aus Holz und Füllholz sowie eine Reihe neuer Paneeldesigns - einfarbig, inspiriert von Holz und beliebten Industrieoberflächen wie Beton und Metall. Ergänzung der verschiedenen Arten von Strukturen - von glänzend bis vollständig matt-sowie eine erweiterte Auswahl an Griffen. All dies, damit die Küche auf die Bedürfnisse eines bestimmten Benutzers zugeschnitten werden kann.

BEQUEM

Ein charakteristisches Merkmal von Luxury Line ist die Betonung der Funktionalität des Gehäuses. Es manifestiert sich in der maximalen Nutzung des Küchenraums - wir können Schränke in verschiedenen Größen auswählen, sodass Sie den Schrank an jedes, auch nicht standardmäßige Interieur anpassen können. Aber nicht nur. Wir haben uns auch um die Einrichtung der Möbel gekümmert. Denn es sind die darin verborgenen Mechanismen, die Komfort in der Küche garantieren. Bei Luxury Line haben wir innovatives Möbelzubehör und langlebige Armaturen anerkannter deutscher und europäischer Marken wie Blum, Hettich, Peka und Häfele verwendet. Sensys Hettich-Scharniere und Aufzüge für die AVENTOS-Verkleidungen der Marke Blum garantieren den Komfort beim Öffnen und Schließen von Schränken, auch wenn diese hoch liegen. Dank des sanften Öffnen und des stillen Schließens können wir laut zuschlagende oder nicht geschlossene Fronten vergessen. Schubladensysteme von ArciTech Hettich,Dank der vollständigen Erweiterung gewährleisten sie einen störungsfreien Zugriff auf den Lagerbestand.Alles,um die Zubereitung von Mahlzeiten noch einfacher und angenehmer zu machen.

AUSGEZEICHNET

Die Luxury Line hat bereits die Anerkennung von Spezialisten der Möbelindustrie erhalten. In den letzten Jahren wurde sie stark ausgezeichnet, aber vor allem - hat sie das Vertrauen vieler Benutzer gewonnen, die seine Funktionalität und Ästhetik genießen.

IN THE LUXURY Line

FITTED KITCHEN

Feel invited to the world of Luxury Line - unique kitchen furniture , which now we present in a completely new and improved version.This series was created to meet the individual needs of users. It brings together the elegant simplicity and functionality of solutions. With our kitchen furniture, you can make the kitchen a real heart of the home, and at the same time significantly simplify and improve your daily routine.

With the Luxury Line, the kitchen becomes a place where you want to spend time.

BEAUTIFUL

Luxury Line furniture go with various styles of interiors as it is available in many colors and finishing options.It is the user who chooses the type and design of the fronts and countertops to create a kitchen of his dreams. In the new version of the series, we propose stronger construction frames made of 18mm thick boards, new types of fronts including laminated, varnished and patinated ones but also wooden and veneered,as well as a number of new designs of monochrome boards, inspired by the structure of wood and popular industrial surface such as concrete and metals. Additionally, there are various types of finish - from glossy to completely matt and wide offer of handles. All of this to create a kitchen that will fit the needs of a specific user.

COMFORTABLE

A distinguishing feature of the Luxury Line is the emphasis on the functionality of furniture. It is shown in the maximum use of the kitchen space - we are offering cabinets in various sizes to choose from,which allows you to adapt the furniture to any, even a non-standard interior. But not only. We also took care of the equipment of the furniture. Because it is the mechanisms hidden inside of them that guarantee the comfort of work in the kitchen.

When it comes to Luxury Line, we used innovative furniture accessories and durable fittings from recognized German and European brands such as Blum,Hettich,Peka and Häfele.Sensyst Hettich hinges and top cabinets AVENTOS lifts from Blum that guarantee the comfort of opening and closing cabinets even those that are located high up. Thanks to the soft and quick close, we can forget about the loud slamming of cabinet doors or doors that are not fully closed. ArciTech Hettich drawer systems are ensuring easy access to stored items thanks to full slide-out.

All this to make sure that preparing meals will be even easier and more enjoyable.

VALUED

The Luxury Line series has so far gained the recognition of specialists from the furniture industry. In recent years, it was awarded, but most importantly - it has won the trust of many users who enjoy its functionality and aesthetics.

VORTELE DES SYSTEMS

ADVANTAGES OF THE SYSTEM

HETTICH SCHARNIERE

Hettich S ensys S charniere garantieren Komfort in der Küche. Sie sind solide und zuverlässig, mit verschiedenen Montagemöglichkeiten und extrem bequemen Einstellungen. Die Silent System-Lösung sorgt für Ruhe beim Fronten schließen.

HETTICH HINGE

Sensys hinges from Hettich are a guarantee of the comfort of work in the kitchen. They are solid and reliable, with various mounting options and extremely comfortable adjustment. The Silent System solution ensures soft and quite closing of the cabinet doors.

SCHUBLÄDEN ARCTECH HETTICH

ArciTech-Schubladen sind ein Tribut an Komfort und Ästhetik. Ausziehbare Platte und eine Tragfähigkeit von 60 kg als Standard garantieren Qualität für Jahre. Andererseits ermöglicht die attraktive Oberflächenbehandlung in Champagnerfarbe die Anpassung der Schubladen an unterschiedliche Stilrichtungen.

ARCTECH HETTICH DRAWERS

Drawers ArciTech are all about comfort and aesthetics. Full slide-out and capacity of 60kg as a standard guarantees quality for years. On the other hand, the attractive surface finish in champagne color allows you to work the way of drawers into different styles of arrangements.

CAMAR ANHÄNGER

Die Aufhänger Camar in den oberen Schränken sind nicht nur eine diskrete Verkleidung der Befestigungselemente (dank der Satinkappen), sondern vor allem eine Garantie für Haltbarkeit (maximale Belastung 130 kg) , bequeme Befestigung und präzise , einfache Einstellung.

AVENTOS BLUM HEBEL

Dank der oberen Hebel von AVENTOS bewegen sich auch große und schwere Fronten leicht. Diese Lösungen sind außergewöhnlich praktisch. Schranktüren , die sich nach oben öffnen , verschwinden aus dem Arbeitsbereich (kein Risiko mehr , sich am Kopf zu stoßen) und bieten ununterbrochenen Zugang zum Inneren des Schranks.

AVENTOS BLUM LIFTS

Thanks to AVENTOS lifts for upper fronts, even large and heavy cabinet doors move smoothly. These solutions are extremely practical. Lift up cabinet doors disappear from the work area (no more risk of hitting your head) offering uninterrupted access to the inside of the cabinet.

HALTBARKEIT 250 kg

Füße sind die Basis jedes Möbelstücks. In der Luxury Line haben wir Modelle mit erhöhter Festigkeit von bis zu 250 kg verwendet. Sie bieten Beständigkeit gegen hohe Belastungen sowie eine präzise Nivellierung der Unterschränke.

CAPACITY 250 kg

The legs are the basis of all furniture. At Luxury Line, we used legs with increased durability up to 250 kg. They provide resistance to heavy loads but also precise leveling of bottom cabinets.

JAHRELANGE HALTBARKEIT

Wir haben die Luxury Line Möbel noch langlebiger gemacht. Durch die standartmäßige Verwendung von 18 mm dicken Platten sind die Gehäuse stabiler und langlebiger. Und die Küche kann noch länger dienen.

YEARS OF DURABILITY

We have made the Luxury Line furniture even more durable. Thanks to the use of 18mm thick boards as standard, the construction frames are more stable and durable. Therefore the kitchen will last many more years.

LUX101

BLANCO & SYNCRONE OXID 01

Eine subtile Kombination aus reinen, glänzend weißen Oberschränken und gebrochenem, mattem Grau aus leicht oxidiertem Stahl der Unterschränke. Dieses Duo wurde erfolgreich mit Arbeitsplatten ergänzt, die von warmem Holz und kühlem Marmor inspiriert waren, wodurch eine bemerkenswert originelle Komposition entstand.

A subtle combination of clean, shimmering whiteness of upper cabinets and matte grayness of slightly oxidized steel bottom cabinets. This duo has been successfully completed with countertops inspired by warm wood and cold marble, creating a unique composition.

LUX101

Steinmuster werden immer modischer , besonders in interessanten Kombinationen.Oriental Black Mat große Flächen aus elegantem , mattschwarzem Marmor werden kombiniert mit Eichenholz Burlington Platten im Honiton. Das Ergebnis ist eine kühne Küche , aber auch sehr stilvoll.

Stone patterns are becoming more and more trendy . Especially in interesting combinations . Oriental Black Mat large planes of elegant , matte black marble were combined with a honey-color of Burlington Oak. As a result , we have a bold kitchen that at the same time is very classy.

LUX101

Wer mag keine hellen , fröhlichen Innenräume?

Weiße , glänzende Oberflächen und zarte beige Eiche bilden die perfekte Kombination für aktive,lebensdurstige Menschen.

Who does not like bright, joyful interiors?
White, shimmering surfaces and delicate Burlington Oak create an ideal combination for active, full of life people.

LUX101

Eine zeitlose Kombination aus Weiß und Schwarz in einer glänzenden , eleganten , aber keineswegs übertriebener Version.Diese Küche ist ein Vorschlag für Liebhaber moderner Klassiker.

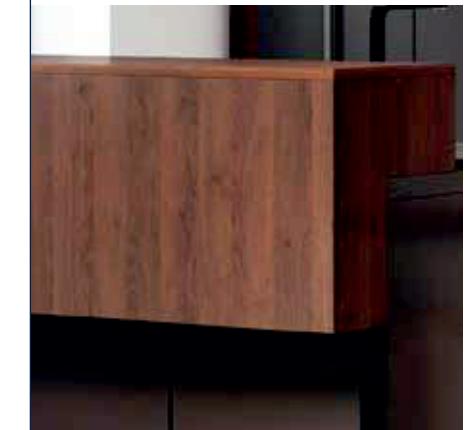

A timeless combination of black and white in a sleek, elegant but slightly contrary version. This kitchen is meant for lovers of classics in a modern version.

LUX102

Mattschwarz ist ein Synonym für Eleganz, das jetzt auch in der Küche erhältlich ist. Ergänzt wird das Bild durch avantgardistische vertikale Griffe und ein kontrastierendes dunkles Holzmuster auf der Kücheninsel.

Matt blackness is a synonym of elegance, now also available in the kitchen. The image is complemented by avantgarde vertical handles and a contrasting, dark wood pattern on the kitchen island.

LUX103

Extrem modische Kombination aus Weiß , Holz und Stein in einer neuen, bereicherten Version. Die oberen Schränke geben hier den Ton an - stilvolle schwarze Aluminiumrahmen mit dunklem Glas.In dieser Küche können Sie nicht nur Mahlzeiten zubereiten, sondern auch Gäste mitnehmen.

An incredibly fashionable combination of white color, wood, and stone in a new, improved version. The tone is given by the upper cabinets - stylish aluminum, black frames with dark glass. In this kitchen, you can not only prepare meals but it is also a place where you can invite your guests.

LUX104

LUX104 ist eine Küche, die zum Herzen des Hauses wird. Der natürliche Charme von Holz in einem warmen Schatten - Eichenholz Lefkas - schafft ein Gefühl von Gemütlichkeit und Frieden.

LUX104 is a kitchen that will become the heart of the home. The natural charm of wood in a warm shade - Lefkas Oak creates a sense of coziness and calmness.

LUX105

Einfachheit von ihrer besten Seite. Satinschwarz und dezent matter Sandton (MDF) sowie zarte Holzmuster betonen den Minimalismus von Klumpen. Dies ist eine Küche für Liebhaber funktionaler Lösungen.

Simplicity at its best version. Satin black and a subtle matte shade of sand of cabinets (MDF), as well as a delicate wooden pattern of the countertops, emphasize the minimalism of the solids. This is a kitchen for those who love functional solutions.

LUX106

Exquisite Kompositionen schaffen Details in der Lux106 - Küche. Die Weißheit der Arbeitsplatten und außergewöhnliche Griffe, geometrische Verglasungen der oberen Schränke sowie elegante Cutter heben sich in tiefem Mattschwarz perfekt von den Fronten ab.

Haute composition in the Lux106 kitchen is created by details. The white color of the countertops and artful handles, the geometric glass of the upper cabinets as well as the elegant cutters are a great contrast for deep matt black cabinet doors.

LUX107 & LUX107P

Walnussholz, insbesondere das mit den Spuren des Zeitablaufs (MDF mit schwarzer Patina), ist ein Vorschlag für traditionelle Innenräume. Dies ist auch die Lux107 Küche - raffiniert , ruhig , zeitlos ...

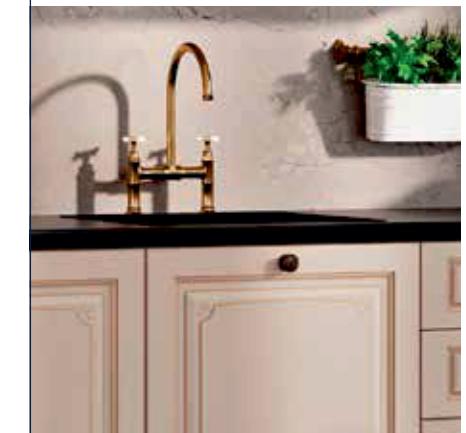

Walnut, especially the one with traces of passing time (MDF with black patina) is something that will go with traditional interiors. This is also what describes the Lux107 kitchen-refined, calm, timeless...

LUX108 & LUX108P

Wunderschön gefräste Fronten in einem Vanilleton mit goldener Patina , geschmackvollen kupferfarbenen Griffen und einer ruhigen Komposition - die Lux108 - Küche wurde für Menschen mit hoher Sensibilität für die Schönheit der häuslichen Umgebung entwickelt.

Beautifully milled fronts in a shade of vanilla with gold patina, tasteful handles in copper color and a calm composition - Lux108 kitchen was created having in mind people with a high sensitivity to the beauty of the home environment.

LUX109 & LUX109P & LUX109V

Lux109 ist ein Angebot für Liebhaber harmonischer englischer Küche. Schwarze Griffen fallen auf weiß gefrästen Fronten deutlich auf. Ergänzt wird das Ganze durch eine ungewöhnliche Arbeitsplatte, die von grauem Marmor und Accessoires aus natürlichen Materialien inspiriert ist.

Lux109 is meant for lovers of harmonious English kitchens. Black handles are a visible contrast on the white, milled cabinet doors. It is all complemented by a unique countertop inspired by gray marble and natural materials additions.

LUX110 & LUX110P

Das Design der Lux110 Küchenmöbel bezieht sich auf die malerische Provence, voller Sonne und dem Duft von blühendem Lavendel. Helle, warme und ansprechende Farben harmonieren mit dekorativen Fronten und Keramikgriffen.

The style of Lux110 kitchen furniture refers to the picturesque Provence , full of sunshine and the scent of blooming lavender.Bright, warm and pleasant colors harmonize with decorative cabinet doors and ceramic handles.

LUX111

Lux111 ist ein einzigartiges Angebot für Menschen, die nach universellen Lösungen mit zeitlosem Charakter suchen. Einfach gefräste Fronten passen je nach verwendetem Griff perfekt in jedes Interieur.

The Lux111 is a unique proposition for those who are seeking universal solutions with a timeless nature. Simple milled cabinet doors will go perfectly with any interior, depending on the handles that we will choose.

LUX12

Die goldenen Eichen-Sperrholzlatten, die als Griffe dienen, verleihen der Küche einen trendigen, modernen und eleganten Charakter. Sie führen eine neue Dynamik zwischen mattschwarzen und weiß schimmernden Fronten ein.

Plywood bars in the color of Golden Oak that are used as handles give the Lux112 kitchen a fashionable, modern but also elegant look. They introduce new dynamics between matte black and glossy white cabinet doors.

LUX113

Lux113 Küche ist das Ergebnis einer gewagten Schrankgeometrie. Es ist originell und dynamisch. Es fällt ins Auge zwischen dem glitzernden Weiß und Holz sowie den Milchglas-einsätzen, die die Griffe ersetzen.

Lux113 kitchen is a result of having fun with the geometry of cabinets. It is unusual and dynamic. It catches the eye with a game between shiny white color and wood, as well as frosted glass elements that are used instead of typical handles.

LUX114

Die LUX114 ist eine Empfehlung für Menschen, die keine Angst vor Neuheiten haben. Moderne schwarze Glaseinsätze, die auch als Griffe dienen, bereichern die glänzenden glatten Fronten.

The Lux114 is something for people who are not afraid of the new. Modern black glass elements , which are also used as handles , enrich shimmering smooth cabinet doors.

LUX15

Massives, gebleichtes Eichenholz macht, dass die Lux115 Küche Ihnen viele Jahre lang dienen und Sie begeistern wird. Gerade Linien, durchdachte Anordnung von Schubladen und Schränken, Zeitlosigkeit von Weiß mit schwarzen Griffen, Milchglasverglasung - all dies macht die Augen glücklich und garantiert den Komfort der täglichen Arbeit.

Solid, whitened oak wood ensures that we will be able to enjoy Lux115 kitchen for many years. Simple lines, the well-thought-out layout of drawers and cabinets , the timelessness of white color emphasized with black handles and frosted glass elements - all this pleases the eyes and guarantees the comfort of everyday routine.
